“ I would like to take this time to say how sorry I am to hear that dale has passed away.my condolences to her family. Chuck and dale were more than friends,they were family.there are so many memories it is hard to pinpoint one but one of my favorite memories was the time myself,jack,Debbie,chuck,dale,mike,Darla we all went fishing at night. Everyone was catching fish. Dale was really pulling them in and everybody was having a good time. Then we had a fish fry a couple of days later and everyone enjoyed the fish we all caught. I'm sorry I can't make it down for the funeral today. Today is delivery for our bait for the next week and I just can't get away. I'm glad dale is no longer in pain and is resting comfortably in heaven.

“ Dale-- my fondest memories are of us laughing so hard we cried. You were a very dear friend to me. I will miss our chats on the phone and visiting with you. You will forever hold a place in my heart. I loved you like a mom and I know you felt the same. Give Chuck a big hug from me. Until we meet again....
