Priscilla was born January 31, 1941 in Wakeeney, KS, the daughter of Claude and Lois Hough. She grew up in western Kansas and upon graduating from high school, she moved to Iowa the place she called home the rest of her life. Her marriage to Larry (Fritz) Meyer was November 29, 1980, and for 32+ years their home in Gilmore has been the family's center of love and gathering.

She was active in the community by volunteering for various activities, serving on the school board, the city council, an 1st Responder/EMT, Gilmore City Fun Days committee, and playing organ for church services. She was proud to be a part of the team that made the new Gilmore City fire station a reality.

Priscilla had a variety of hobbies over the years, from gardening to candle-making, and had recently retired from being a medical transcriptionist, a job she truly enjoyed. She was a fiercely devoted mother and grandmother, loved spending time with family and friends, hosted Grandkids Camp, and her home was open and welcoming to all. Her unconditional love and servant-heart was an inspiration and she will be dearly missed.
