“ All our hearts are broken, many tears left to cry. You were not with us long but we loved you very much. There will always be a place in our hearts that will belong to only you dear sweet baby boy. To my dear brother Kevin and to my sweet sister Dao...if you ever need me I'm just a phone call away. There are no words that can express the loss of Spencer...I will not try. Just know that we are there for you and will do everything we can to help you during this time, that is what family is for. We love you and the kids so very much.
